This image shows a full page of primary-ruled paper. It features a central writing area bounded by two vertical red margin lines. The entire page is filled with horizontal blue lines, which are more closely spaced in the central writing area than in the margins. There are no markings or text on the page.

5 Pourquoi le serpent se sauve-t-il ?

A blank sheet of graph paper with a grid pattern. The grid consists of 10 columns and 10 rows of squares. A thicker horizontal line runs across the middle, separating the top five rows from the bottom five rows. The grid is used for drawing or writing.

6 Quel est le plat préféré de Gruffalo ?

A blank sheet of graph paper with a grid pattern. The grid consists of 10 columns and 10 rows. A thick horizontal line runs across the middle of the page, separating the top five rows from the bottom five rows. The background of the entire page is light blue.

A blank sheet of graph paper with a grid pattern. The grid consists of 10 columns and 10 rows of squares. A horizontal line runs through the middle of the grid, separating it into two equal halves. The top half has 5 rows above the center line, and the bottom half has 5 rows below the center line. The left side of the grid has a vertical margin line, creating a narrow column on the far left. The right side also has a vertical margin line, creating a narrow column on the far right. The entire grid is composed of light blue lines on a white background.
